

PREMIUM SURGE PROTECTION CLAIM FORM

*This program is no longer available to new customers as of 06/01/2019. This claim form is applicable to previously enrolled Premium Surge customers only. Premium Surge is a surge protection program that attaches a surge protector (which may include electrical grounding and related materials) at the electrical, telephone and cable/satellite entrances to the residence to help protect covered electronics and motor-driven appliances from power surges that pass through these entrances. Premium Surge comes with a \$50,000 limited manufacturer's warranty per incident for damages caused by a failure of the surge protection system to properly perform.

Please complete this form and provide all requested documentation in order to ensure timely processing and investigation of your claim. This form must be signed and returned within fourteen (14) days from the date you discovered the loss/damage/failure to your covered property in order for the claim to be considered. Failure to comply with the above requirements may result in the delay or denial of your claim. Any claims under the Premium Surge Protection program are subject to the Service Warranty Terms and Conditions available at www.GulfPower.com. Gulf Power may, at its sole discretion, require additional information or documentation relating to your claim.

Before proceeding, please check the indicator light(s) on your Premium surge device installed at the electrical meter to determine whether the indicator lights are On or Off (On indicates that the device is functioning properly. Please see the Device Guide for more information about location of lights, available at www.GulfPower.com/surge.)

1. Are the indicator light(s) on the surge protection device located at your electric meter ON or OFF?

Yes No Uncertain

Please be aware that your appliances may fail for a variety of reasons other than a failure of the surge protection device to properly perform, including normal wear and tear and power surges that can enter your home through other channels, such as sprinkler systems, doorbells, water lines, buried electronic fences and exterior metal surfaces.

2. If the indicator light(s) on the above device are ON (indicating that the device is functioning properly), in the lines below please indicate why you believe that the applicable item(s) was damaged due to a failure of the device or other surge protection equipment provided by the Premium Surge Protection program to properly perform: _____

If after completing the above steps you continue to believe that the Premium surge protector system has failed to properly perform and that failure has resulted in damage to your covered appliance(s) and/or covered electronics, please complete the remainder of this form and provide all requested documentation, including completed and signed Service Provider Certification Cause of Damage form attached (by a licensed repair technician) in order to ensure timely processing and investigation of your claim. See the Manufacturer's Warranty attached to the Premium Surge Program Terms and Conditions available at www.GulfPower.com for a list of covered items. This form must be signed and returned to within fourteen (14) days from the date you discovered the loss/damage/failure to your covered property in order for the claim to be considered. Failure to comply with the above requirements may result in the delay or denial of your claim. Gulf Power may, at its sole discretion, require additional information or documentation relating to your claim. Please note the Premium Surge program is a discontinued program for previously enrolled customers only.

SECTION B: Claim Information

Attach all repair invoices/estimates and other proof of loss. All invoices/estimates must be on an itemized form with the company's letterhead, name, address, telephone number with a breakdown of services. If the item is "not repairable" the reason must be clearly stated by the licensed service technician. Use separate paper to report any additional items. In addition, Service Provider Certification of Cause of Damage form attached needs to be completed & signed by a licensed repair technician and returned to us with the completed claim form.
